Actions to be taken: tasks performed by members, staff and volunteers to be risk assessed and appropriate instruction to be provided (e.g. preparing and serving hot drinks, erecting staging, moving heavy furniture).

3. The Society will engage and consult with members, staff and volunteers on health and safety conditions.

Actions to be taken: members, staff and volunteers to be briefed on health and safety risk assessments for new venues/activities and updated on any changes in risk assessment for regular venues/activities. Sound safety

The Society takes the responsibility of protecting the hearing of members, staff, volunteers and audience members seriously. We will:

- Ensure there are open lines of communication for individuals to raise concerns about hearing
- Take concerns seriously; the Committee and Music Director will work with the individuals to find ways to minimise risk.
- Take into account the protection of our audience's hearing when designing stage and audience layout for concerts.
